"Oh nyia.... sorry for the late release, been quite busy these few days, hope things will settle down soon. Here we are now in vol.3! Meh, I skimmed through a few chapters ahead and found that quite a lot of chapters was already aired in anime but worry not, those yet-to-be-aired chapters that mostly are dam killing-me cutesy, look forward to them! (though it will be a while until we reach those cute chapters =ω=) Ah, for now, chapter 1 should be kyun enough so enjoy!
